victory for Orangeburg. Sumter only to his own use. scored one run and at no time did she have the remotest chance of winning. There was some good fielding on both sides, but Orangeburg held Sumter down to one run while she scored three runs. Sawyer for Orangeburg pitched a fine game, compeltely outclassing Ham, the Sumter pitcher, who left the box in the sixth inning, Lee taking his place. Neither side made a run after the fifth inning. Morris and Dingle made beautiful catches of line drives, both of which were heartily cheered. Morris' catch was very fortunate for Orangeburg, as it put out two men, which retired Sumter, preventing a man on third from scoring. Ham was unmercifully swatted and we do not blame him for calling for help. The following is the score of Wednesday's game:

SCHOOL CLOSING.

Very Interesting Exercises at the St. Georges School.

On Friday evening, May 8th, a large audience of relatives and friends assembled at the St. Georges' School building to witness the closing exercises of this flourishing school of 75 bright pupils.

The exercises were splendid. Children never did better. They surpassed the expectations of their fond parents and reflected great credit up-

on the teachers. The teachers' Misses Donie Griffin and Philippina Salley, have certainly worked faithfully and well.
